

Dear Eryldene Supporter

July, 2011

Eryldene Foundation

We invite you to consider making a donation which will become part of the Foundation's capital fund which provides much needed income for maintenance.

It is vital the Foundation has an adequate capital fund which can provide income to maintain the house, the many garden structures and the garden itself into the future. At present the Foundation's assets fall well short of what is needed to provide long term funding.

The Board is working to increase the capital of the Foundation and your support for this aim will be greatly appreciated.

Thank you very much for your support which is vital in preserving this beautiful place for the community now and into the future.

David Fairlie
Chairman Eryldene Foundation
