

Dear Eryldene Supporter

May, 2011

Your Membership of Eryldene

We are very grateful for the support you have shown for Eryldene through your membership. It is through the help of our members, donors and volunteers that we are able to maintain the house and garden as the great community asset Professor Waterhouse intended.

You will know that from time to time we receive grants for important projects but it is our supporters on whom we depend to keep Eryldene as a living house museum, one whose importance grows as the face of Ku-ring-gai changes.

We invite you to renew your membership for the coming year and we hope you will consider making a donation to help us make progress on the considerable list of maintenance projects that need attention.

Membership is just \$10 and entitles you to receive;

- Free entry to Eryldene on open days and reduced entry for special events
- 10% discount on Eryldene shop purchases
- Free entry to the National Trust's Sydney properties

We hope you will also make a tax deductible donation and below are our four major donor categories.

Camellia Bronze	donation of \$300 - \$499
Camellia Silver	donation of \$500 - \$999
Camellia Gold	donation of \$1,000 - \$2,999
Camellia Eryldene Excelsis	donation of \$3,000 and over

Donors to these categories will be acknowledged in our newsletter and on our website. Gifts of any size are of course very welcome as well as contributions to our Adopt a Camellia scheme which supports the upkeep of more than one thousand plants in the garden

Thank you very much for your support which is vital in preserving this beautiful place for the community now and into the future.

David Fairlie, Chairman Eryldene Trust
